Please consult the AKC Regulations for Agility Trials for a complete description and eligibility for entry into these classes. The exhibitor is fully responsible for entering the dog in the correct class(es)/height divisions. Dogs running in a lower height division than they are eligible for will be eliminated.

HEIGHT DIVISIONS

REGULAR	PREFERRED	HEIGHT AT WITHERS
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers Regular Dogs may not be entered in this height if they are 22 inches and under.
24C"	n/a	Dogs may be entered at this height at their owner's discretion if their measurement is 22 inches and under at the withers. Dogs who measure into the 24" regular jump height division may not enter 24-choice.

MEASURING and HEIGHT CARD INFORMATION

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the **Judge of Record** PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 26" height division. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present; **ALL** dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog **before** its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

Simplified Jump Height Card Process

When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog needs to be officially measured. Please check the box so that the Trial Secretary knows whether to include your dog on the *Dogs To Be Measured List*. It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in.

DOG ELIGIBLE TO ENTER

This trial is open to all dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), **an AKC Canine Partners listing number**, or approved Foundation Stock Service (FSS) breeds are eligible to participate.

Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number must be spayed or neutered in order to compete. Wherever the word “dog” is used in these regulations it includes both sexes.

Dogs should be physically sound. Dogs that are blind shall not be eligible, and neither are bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate. Puppies under four (4) months of age are strictly prohibited from the trial grounds.

Class Changes Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. For example, the same dog may now be entered in Regular FAST and/or T2B to finish up those titles while also entered in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred classes is allowed.

Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Entering For Exhibition Only (FEO)

As of January 1, 2020, For Exhibition Only may be offered at the option of the host club. FEO will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes. FEO will be of value to new exhibitors or exhibitors that are having difficulty with a specific obstacle and/or ring environment. Competitors must enter in T2B and/or FAST. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in

the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.

- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring
 - Toys must be non-audible
 - Toys may not leave the handler's hand
 - Toys that roll freely cannot be used
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time

All entries, including wait listed entries, must be received by the Trial Secretary prior to **March 18, 2020**. COURSE WALK-THROUGHS AND WARM-UP INFORMATION

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only. Handlers with multiple dogs, at events with multiple rings may request to walk with a height group other than the one their dog is entered in if a conflict is imminent.

A warm-up area, consisting of a regulation agility jump, may be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog.

OBSTACLES AND RING CONDITIONS

Obstacles will meet the specifications for obstacles in the current edition of the Regulations for Agility Trials. All classes will take place **indoors** on a **mat** surface. Ring size will be **100' x 81'**

SET-UPS

There will be no early set up for this trial. Please check your confirmation email for set up times and for what time the building will open. Access is available in and out of the new front doors, but exhibitors are responsible for any damage that may occur while moving crates and gear through the glass doors.

ADDITIONAL SITE INFORMATION

ABOUT THE FACILITY

Top Notch Canines has indoor restrooms and excellent evaporative cooling throughout the warehouse. Additional fans will be placed to maintain optimal airflow in the crating area. If you wish to bring additional fans please plan on battery power. Practice area and rings feature Comfort King matting.

The site is located in an industrial area. Outside areas are concrete or asphalt. If your dog has tender feet, boots to protect the feet from the hot summer surface may be warranted. Giving your dog a chance to get comfortable with boots prior to the show will make your first indoor show in Phoenix easier.

There are two small areas to relieve your dogs; one is dirt and the other is on artificial turf.

There is no place to throw a ball or other toy. You may wish to devise other games or tricks to warm up your dog prior to your runs.

WARM UP AREA. A warm-up area with a single practice jump will be provided outside on matting with canopies. If space permits a practice jump may be moved inside.

*****PLEASE BE ADVISED YOU MAY NOT TRAIN OR PLAY WITH YOUR DOG AT ANY OF THE BUSINESS SURROUNDING TOP NOTCH CANINES BUILDING. Exhibitors are prohibited from relieving their dog on the property of neighboring businesses.** Any exhibitor failing to do so may be excused without benefit of refund if the Trial Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show grounds.

SPECIAL REQUEST

To help protect the matting on the floor from the granite, grit and grime of Arizona we request that everyone clean and inspect the shoes they will be wearing and remove pebbles and pieces of granite since these may damage the flooring. It helps to wear another pair of shoes to the event and enter the building by walking on the all-weather mat to the kennel area. Once there you can sit down to change your shoes. IMPORTANT: no dollies/carts inside the building.

CRATING AREA: There will be adequate crating space for everyone as long as everyone plans ahead and doesn't use an excessive amount of space. Personal chairs will not be allowed in the crating area. Chairs are welcome in the spectator area. We have allowed for approximately 6 foot wide aisles in the crating area so dogs will not be in each other's faces when moving to and from the kennel area. Please keep an eye on your dog at all times.

Please plan to stack crates if needed. Only soft sided kennels may be placed directly on the matting; all wire/metal kennels and X-Pens must be placed in the concrete section or on some type of rug, towel etc. that will protect the mat from damage. Limited X-pens will be allowed but please only for 3 or more dogs. Some crating will be on the concrete, we cannot avoid it. Please plan to bring extra thick bedding in case your dog is crated in that area. No glass containers are allowed on the property.

NOTICE TO EXHIBITORS

Exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. Top Notch Canines, LLC, Jumping Chollas Agility Club, and Valle Del Sol Golden Retriever Club and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. **Exhibitors are responsible for cleaning up after their dog(s):**

Canine Health: Exhibitors should follow their veterinarian's recommendations to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations. Arizona law requires rabies vaccine every 3 years.

All dogs must be on leash at all times when on trial grounds except when in the designated warm-up area or competing on the course. We are in an industrial area and large semi-trucks frequent the area.

Please watch your dogs!

Do not leave dogs in closed vehicles!!! All persons attending this dog show hereby waive any claim for damages against Top Notch Canines LLC or anyone associated with Top Notch Canines LLC, in the event a motor vehicle must be entered to rescue a dog from overheating or suffocation due to improper ventilation.

VOLUNTEERS

We need volunteers to help make the trial run in a smooth and timely manner. The CRS will have a sign-up sheet each day so that you can find a spot to help out! CRS's- Fri. Wendy Metz, Sat. Carol Ketcherside, Sun. Mary Chessik. We will have snacks for all those who volunteer, and lunch for those who work at least two classes.

RIBBONS, AWARDS, AND PRIZES

Rosettes will be awarded in each jump height division in each class as follows:

<i>First Place</i>	<i>Blue</i>
<i>Second Place</i>	<i>Red</i>
<i>Third Place</i>	<i>Yellow</i>
<i>Fourth Place</i>	<i>White</i>
<i>Qualifying Score</i>	<i>Dark Green</i>

A New Title rosette will be awarded to all dog and handler teams finishing a title. A MACH rosette and decorated MACH bar will be awarded to all dog and handler teams that attain their MACH. A dog toy valued at three to five dollars will be awarded to all dogs that place in their respective height and class.

All exhibitors should obtain a copy of the Regulations for Agility Trials by downloading them from the American Kennel Club website at <http://www.akc.org/rules/>.

NOTICE TO EXHIBITORS

SAFETY, BEHAVIOR and LIABILITY

The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.

It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The VDSGRC and JCAC of GP and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. The VDSGRC and JCAC of GP reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the VDSGRC and JCAC of GP or any official thereof.

All dogs must be on leash at all times when on trial grounds except when in the designated warm-up area or competing on the course.

REFUNDS

No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Trial Committee.

Bitches in season and injured dogs will be 75% refunded if withdrawn after closing Notification must be giving to the trial secretary prior April 2, 2020, the day before the show begins. A veterinarian's note is required of each.

RINGSIDE

Dogs may arrive any time prior to judging if the dog has a valid temporary or permanent jump height card. Otherwise, they must be available for measuring prior to the start of their class if a VMO or AKC Field Rep is available to measure dogs. All dogs not needed for further judging will be excused.

Judges are not required to wait for dogs. The Owner of each dog is solely responsible for having it ready at ringside when it is to be judged. The Club has no responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

MOVE

This club does not agree to arbitrate claims as set forth on the Official AKC Entry Form for this event.

RV Parking

Due to limited parking and maneuvering space on site RV's may not park on-site during the day. RV's which fit in a standard parking space may park on site. Street parking is available on both sides of a long industrial street. Large semi-tractor rigs navigate the street even on weekends; caution should be taken to keep back from driveways when parking and be careful when entering and exiting your vehicle.

A very limited amount of overnight dry RV parking is available on site. RV's must be moved onto TNC property after competitors have left and move back to the street before set-up time for the next day. Remember there is no grass or dirt areas to exercise dogs. We apologize for the inconvenience, the site is in a warehouse district where everything is concrete.

Email Debbie@topnotchcanines.com for overnight RV reservations.

INSTRUCTIONS

Handlers may opt to enter in a higher **height division** for all **Regular** titling classes, but not in a division lower than their proper height division. Dogs entered in the **Preferred** classes **must** compete at the required jump height and **may not** compete in a jump height division **higher or lower** than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or *back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the **AKC Canine Partners ProgramSM** may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler Number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner? _____
